

## Jacob's Creek Scholarships

The scholarships will be available to students enrolled full-time in the final year of study for the Bachelor of Viticultural and Oenology or Bachelor of Viticulture & Oenology (Honours) degree.

The scholarship will be tenable within the University of Adelaide for a maximum of one year. Applicants for the scholarship will be required to respond to one, and only one, of three mock position advertisements supplied by Pernod Ricard Winemakers and issued through University of Adelaide on request. Applications close by close of business on the third Friday in July.

An information pack including Position Descriptions and “mock” Job Advertisements will be provided on request. The advertisements and Position Descriptions are created for the purposes of the scholarship only. Applicants must submit a letter of applications and a curriculum vitae. The letter of application must address all areas listed under “Person Specification” in the Position Description.

The panel will review the applications and select applicants for interview.

Interviews will be conducted at the University two weeks after the application closing date.
