THE BRIAN AND HEATHER FORSTER PRIZE IN BIOCHEMISTRY

RULES

In 1988 Mr and Mrs Brian Forster, parents of Dr Anthony C. Forster, B.Sc. (Hons), Ph.D., donated \$3,500 to the University of Adelaide in appreciation of their son's education at the University, for the purpose of encouraging excellence in Biochemistry.

The following rules are hereby made:

1. The prize shall be called 'The Brian and Heather Forster Prize in Biochemistry'.
2. The value of the prize shall be \$600 or such other amount as the Council on the recommendation of the Faculty of Science shall from time to time determine.
3. The prize shall be awarded annually by the Faculty of Science to the candidate who is placed highest in the First Class of Honours Biochemistry. No award shall be made if the Faculty deems that no candidate is of sufficient merit.
4. Where two or more candidates are of equal merit, the prize shall be shared equally.
5. If in any year an award is not made an additional award may be made in a subsequent year.
6. These rules may be varied by agreement between the University and the donors or their successors, but the title and purpose of the prize shall not be changed.
