
The Optimatics Prize in Water Engineering

PRIZE RULES

Establishment

This Prize has been established by a contribution to the University by Optimatics Pty. Ltd. being for a prize in water engineering in the School of Civil, Environmental and Mining Engineering.

In support of the prize Optimatics Pty. Ltd. shall provide to the University as a result of a pledge request, an annual amount equivalent to \$500.00 (GST Free)

Value

The value of the Prize will be \$500.00 per year, until otherwise determined by the University after discussions with the contributor.

Eligibility

The prize will be awarded annually by the University to eligible students enrolled in the Bachelor of Engineering (Honours) (Civil & Structural) or Bachelor of Engineering (Honours) (Civil & Environmental) degree program or associated double degrees with a Bachelor of Engineering (Honours) (Civil & Structural) or (Civil & Environmental) component.

Selection of Candidate

The Head of the School of Civil, Environmental and Mining Engineering or nominee will award the prize to the student who obtains the best results in the Level III courses:

CEME 3005 Advanced Civil Engineering Hydraulics

CEME 3004 Hydrology for Engineers

If there is no candidate of sufficient merit in a given year then the prize will not be awarded in that year and the money will be used in subsequent years.

If there is more than one candidate of equal merit, then the prize shall be shared equally.

Variations

The University may vary the rules from time to time in a manner consistent with the original objectives of the prize.

Rules approved by Deputy Vice Chancellor & Vice President (Academic) 5 May 2016
