
The Spectra QEST Prize in Computer Systems Engineering PRIZE RULES

Establishment

This Prize has been established by a contribution to the University by Spectra QEST Holdings Pty. Ltd. Spectra QEST is a software development and services company specialising in solutions for the construction materials testing and production industries. Spectra QEST's Head Office is in North Adelaide and it has a diverse range of customers from small businesses to multi-national corporations in Australia, New Zealand, the United States and the Middle East.

In support of the prize Spectra QEST Holding Pty. Ltd., shall provide to the University as a result of a pledge request, an annual amount equivalent to \$500.00 (GST free).

Value

The value of the Prize will be \$500.00 per year for 5 years commencing in 2013, unless otherwise determined by the University after discussions with the contributor.

Eligibility

The Prize will be awarded annually by the School of Electrical and Electronic Engineering at the Award Ceremony held in May to the student who is enrolled in the Bachelor of Engineering (Honours) (Electrical and Electronic) and associated double and combined degrees who is doing a major in Computer Engineering. In order to qualify for the prize, the student must have completed ELEC ENG 2100 Digital Systems in the year for which the prize is awarded.

Selection of Candidate

The Head of the School of Electrical and Electronic Engineering shall select the successful candidate(s) for the prize. The Head of the School of Electrical and Electronic Engineering and a representative from Spectra QEST shall award the prize to the candidate who obtains the best results in the assessment of the courses ELEC ENG 1102 Digital Electronics and ELEC ENG 2100 Digital Systems.

If there is more than one candidate of equal merit, then the prize shall be shared equally.

Variations

The University may vary the rules from time to time in a manner consistent with the original objectives of the prize.
