

2022 Information Sheet for Students

Q Fever vaccination is a requirement for some programs within the School of Animal and Veterinary Sciences (SAVS). Please refer to SAVS [Guidelines for vaccinations](#) for more information.

Q Fever Providers

Within South Australia (www.sahealth.sa.gov.au) Within Australia <https://www.qfever.org/findvaccinator>. If you would like to be registered on the National Q Fever Register please take these two Forms ([Consent](#) & [Pre-Screening](#)) with you to your medical practitioner.

Cost

All costs associated with testing and vaccination must be paid for by the student. The cost of testing and vaccinations vary from provider to provider (ranging from approximately \$160 to \$500). The consultation fee at a GP may be covered by Medicare and the vaccination may be covered by some private health insurance companies. Students are advised to consult their private health insurance provider regarding associated costs with vaccines.

Preferred Providers

Please note group bookings are cheaper. When booking in groups please supply name and contact number for each student.

How to Show Evidence of Vaccination

It is the student's responsibility to provide evidence that they have been vaccinated against Q-Fever. Students must upload evidence that they have been vaccinated to [Sonia Online](#). Click [here](#) for instructions.
