## Key

Science course	Law course
----------------	------------

# Check [Course Planner](#) or with the Faculty of Sciences Office to ensure you meet the pre-requisites prior to enrolling into this course.

## Enrolment Advice

- It is your responsibility to ensure you are correctly enrolled. Enrolment into courses outside of the Study Plan and Enrolment Advice listed could affect your eligibility to graduate.
- A total of **120 units** are required to complete the Bachelor of Science with Bachelor of Laws program.
- To meet the Bachelor of Laws requirements you must complete 72 units of Law courses.
- To meet the Bachelor of Science requirements you must complete 48 units of Science courses (from the Bachelor of Science [program rules](#)) comprising of:
  - 12 units of level I science courses
  - 12 units of level II science courses
  - 24 units of level III science courses including a major from the Bachelor of Science program rules
- Please consult your [Program Coordinator](#) or contact the Science Service Hub for advice.

Under the University's [Student Charter](#), it is the student's responsibility to enrol correctly in accordance with the University's program requirements, course prerequisites and University procedures, and ensure that your enrolment will enable you to graduate in your chosen program. If this study plan is unclear or contains an error, it is recommended you seek confirmation and advice from the Sciences Service Hub at the earliest opportunity.

## Enrolment Errors

Please [submit the relevant form](#) to request a unit-overload waiver, prerequisite waiver, timetable clash resolution or a course/class full request.

## Global Experience

Sciences recommend students who want to undertake an exchange in an overseas university plan to go in Semester 2 of Level 2 or Semester 1 of Level 3. To find opportunities available in your study area click [Study Overseas](#).
