

IEEE Best Project Wiki

PRIZE RULES

Establishment

This Prize has been established by the Electrical and Electronic Engineering Society of Adelaide University to recognise quality project presentation and extensive audience engagement at the annual 'Ingenuity' event in the area of Electrical and Electronic Engineering.

Value

The value of the Prize will be \$200 per year which will be divided equally between the recipients (if applicable), funded by the Electrical and Electronic Engineering Society of Adelaide University (EEESAU). ~~Elec~~

Eligibility

The prize will be awarded annually by the University to eligible students enrolled in the following level IV courses:

ELEC ENG 4068A/B Honours Project

ELEC ENG 4101A/B Electrical & Electronic Research Project

ELEC ENG 4102A/B Autonomous Systems Research Project

ELEC ENG 4103A/B Biomedical Research Project

ELEC ENG 4104A/B Communication Systems Research Project

ELEC ENG 4105A/B Computer Engineering Research Project

ELEC ENG 4106A/B Renewable Energy Research Project

ELEC ENG 7077A/B Masters Project Electronic

ELEC ENG 7078A/B Masters Project Electrical

Selection of Candidate

The Head of Electrical and Electronic Engineering or nominee will award the prize to the student or group of students who are deemed to develop the best project wiki page available at the annual 'Ingenuity' event, based on visual presentation at the time of judging. The judging panel will consist of three EEESAU members that are not participating in the above courses and the EEE projects coordinator.

If there is no candidates of sufficient merit in a given year then the prize will not be awarded in that year.

If there is more than one group of candidates of equal merit, then the prize may be shared equally between the recipients in each group.

Variations

The University may vary the rules from time to time in a manner consistent with the original objectives of the prize.
